About Us

The Rapid Express executive management team has more than 50 years of success in both management of transport services in Rochester and senior management in Fortune 100 companies.

Our service offerings include complete on-demand and scheduled services for business-to-business delivery, but we don't stop there. Our experience fuels a very simple business strategy, that a satisfied customer is the best business strategy of all.

"We measure our success by the success of our customers."

Rebecca Roberts
Chief Financial Officer

At Rapid Express, we do measure our success by the success of our customers. Our day-to-day focus to achieve this goal is also simple, to provide these services in a fast, friendly and dependable way to help your business and your customers succeed.

"A satisfied customer is the best business strategy of all."

Shawn Campbell
Chief Operations Officer

Commitment to Community

Our management team also shares the opinion that our lives and success belong to the community. As part of our basic business operating agreement, Rapid Express allocates and donates a portion of all business profit to community and youth development programs. Rapid Express Transport is an active and proud sponsor of the following local organizations.
